MESSAGE

I Personally know Late Rajnibhai V. Patel, who was a great Pharmacist and had spent more than 50 years in Pharmaceutical Industry. I also come to know that in the fond memory of Mr. Ranjibhai V. Patel and also to promote his innovation, Troik Pharmaceutical Limited created Trust named "Rajnibhai V. Patel Trust". I am delighted to know that under the above Trust, an yearly PharmInnova Award has been instituted and the award for last two years will be conferred on the extraordinary meritorius students who have written innovative thesis in five disciplines of the postgraduate programmes in Pharmaceutical Sciences.

I am also glad to know that two years PharmInnova Award will be given away to the meritorious scholars on 24th May, 2014 at the J.B. Auditorium, Ahmedabad Management Association, Ahmedabad, by the Hon'ble Dr. APJ Abdul Kalam, former President of India. I am further delighted to know that Dr. Abdul Kalam has given his consent to give a key-note address to research scholars to ignite their imagination for becoming good scientists/pharmacists in the years to come.

I hereby extend my warmest wishes to Mr. Ketan R. Patel, Chairman and Managing Director, Troika Phamaceuticals, for organising such a wonderful event. I am sure that Troika Phamaceuticals will continue to maintain its excellence and character with great distinction.

I wish the Organisers all success in this and all such endeavours in future.
